HOSPITAL MEMORANDUM

No. 26 s. 2017

TO : ALL CONCERNED

SUBJECT : EHR (Electronic Health Record) Implementation

In line with this hospital's efforts on process improvement thru technological advancement, the EHR system will be available in our production environment by February 01, 2017.

All doctors who underwent orientation and training are mandated to use the system as a support module to our existing HIS-Doctor's Dashboard to attain flexibility, mobility and portability as we continue to gear towards high productivity. The areas included in the implementation are the Emergency Room and all Medical Wards.

Kindly contact IHOMP office (local 4613 or 5043) for any issues and concerns that may arise during the implementation.

For your compliance.
