OFFICE MEMORANDUM NO. 003

TO : ALL UNITS

SUBJECT : FIRMWARE UPGRADE AND HARDWARE REPLACEMENT ON SPMC SERVER
ENCLOSURE

There will be a three (3) hour downtime on all SPMC System (HIS, ENGAS, DTR and EMR) from 9am-12nn on Friday, June 12 to give way to the firmware upgrading and hardware replacement of our server enclosure to resolve issues on hardware degradation. No access on all systems listed during this period. We apologize for the inconvenience.

JOHANN L. MANALANG
Head, IHOMP
